“A BEAUTIFUL WAY OF LOOKING AT THINGS:”
- SHORT STORY

A Father was reading a magazine and his little daughter every now and then distracted him. To keep her busy, he tore one page on which was printed the map of the world. He tore it into pieces and asked her to go to her room and put them together to make the map again. He was sure she would take the whole day to get it done. But the little one came back within minutes with perfect map.....When he asked how she could do it so quickly, she said, “Oh.... Dad, there is a man’s face on the other side of the paper..... I made the face perfect to get the map right.” She ran outside to play leaving the father surprised.
