

Namosid-T Tab ®

Namosid-T Tab ®

Each Tablet Contains Composition

Nimesulide.....	100 mg
Tizanidine.....	2 mg
Paracetamol.....	325 mg

Indications

Nimesulide is indicated in the treatment of a variety of painful inflammatory conditions including those associated with osteoarthritis, postoperative trauma, sports injuries, acute musculoskeletal disorders including tendonitis, tenosynovitis, sprains, strains and low back pain, ear, nose and throat disorders, dental surgery, bursitis/tendonitis, thrombophlebitis, pharyngitis and gynaecological disorders.

Description

Tizanidine reduces spasticity by increasing presynaptic inhibition of motor neurons through agonist action at α_2 -adrenergic receptor sites.

Contraindications

Zanaflex is contraindicated in patients with known hypersensitivity to Zanaflex or its ingredients.

Dosage

Usual oral dose of Nimesulide in adults is 100 mg twice daily.

Presentations
